

CashMate: Peer-to-Peer Student Money Exchange Platform

The ultimate solution to student cash emergencies. Connects students for quick cash and online transfers. Simplifying campus life, one transaction at a time.

The Student Cash Crunch: A Common Problem

Limited Cash Access

Many students struggle to find cash easily on campus.

Online Payment Limits

Minimum transaction amounts make online payments challenging.

ATM Reliance Issues

ATMs often charge fees and aren't always available.

Emergency Needs

67% of students face emergencies for books, food, or transport.

Introducing CashMate: Your Instant Money Solution

GPS Connectivity

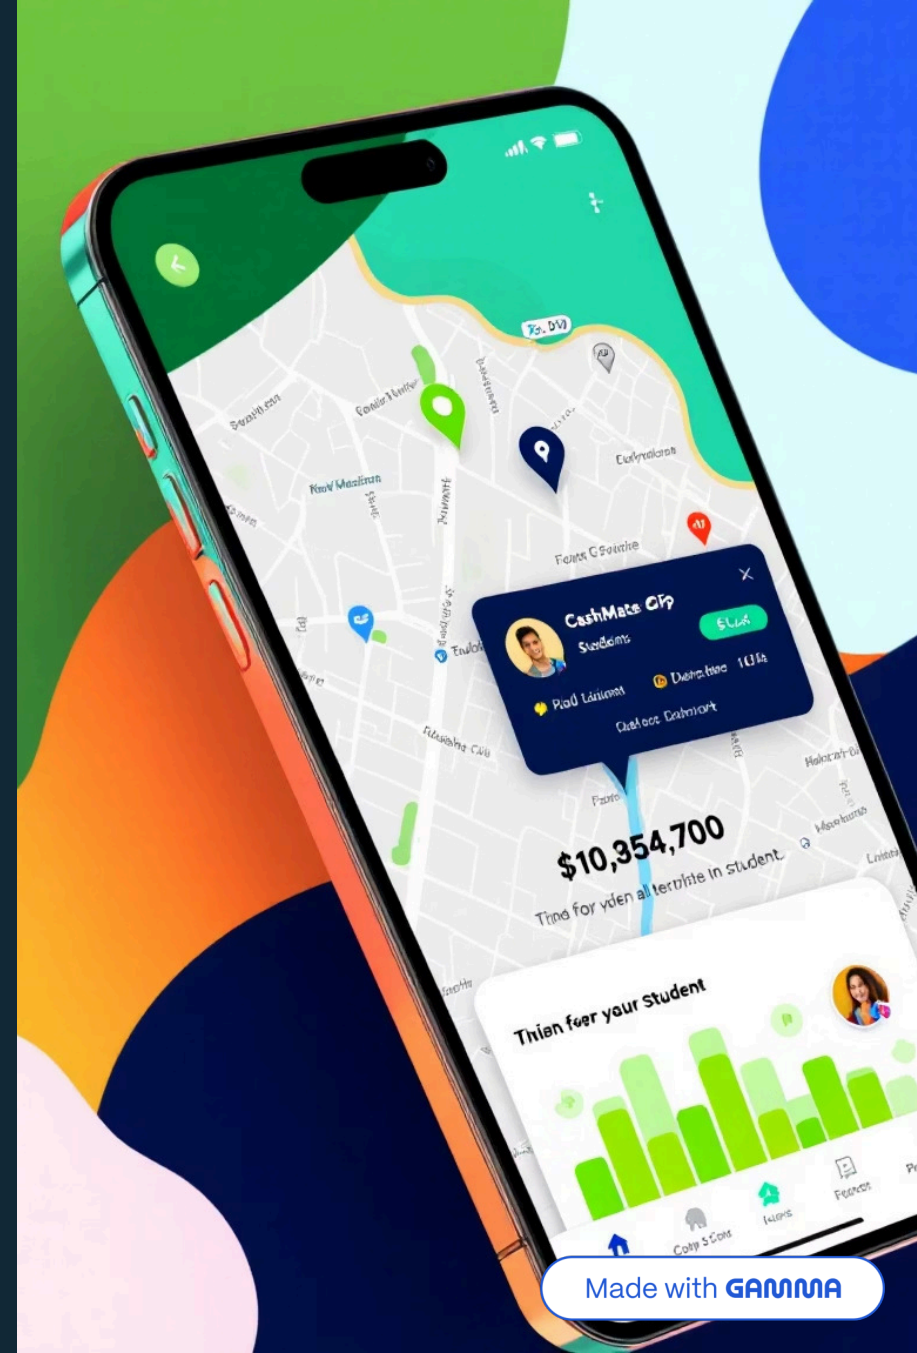

Connects students within a 3 km radius using precise location.

Real-Time Requests

Post instant money needs to local peers for quick help.

Campus Cash Solution

82% of students agree CashMate ends the “no cash” problem.

Key Features: Seamless Transactions at Your Fingertips

Request Creation

Specify amount, urgency, and reason clearly for each request.

Location Sharing

Find nearby students for fast and easy meetups.

WhatsApp Exchange

Opt-in to share phone numbers securely after connecting.

Transaction Ratings

Build trust with a robust peer rating and feedback system.

Flexible Transfer Options: Cash or Online - Your Choice

Cash Transactions

Meet up safely to exchange physical cash quickly.

Online Payments

Supports Google Pay, PhonePe, and other popular apps.

Secure & Verified

All transfers are safe with user verification and monitoring.

A young woman with voluminous curly hair is smiling and looking at her smartphone. She is wearing a green jacket over a yellow shirt. The phone screen shows the CashMate app interface, which includes a profile section, a list of requests, and a 'Post a request' button. The background is a blurred outdoor setting with greenery and colorful heart-shaped bokeh.

How CashMate Works: Simple, Fast, and Reliable
